

Interreg 2 Seas 2014-2020

Summary of the clarifications made to the Programme Manual

Modifications approved on 13 October 2022

A set of clarifications to the Programme rules and procedures has been included in the Programme Manual as follows:

In factsheet 6:

- A sentence has been added regarding the timeframe for a major modification that would be requested by the Programme

In factsheet 7:

- A footnote has been integrated as part of paragraph “General requirements on projects end date and eligibility of costs”
- Projects that end in 2023 will have a 3-month deadline after their end date to submit their closure report. The other projects still dispose of a maximum of 6 months after the project end date to submit the closure report.

The amended Programme Manual has been approved by the Monitoring Committee on 13 October 2023. It shall be **valid retroactively for all projects and applications** in the framework of the Interreg 2 Seas 2014-2020 Programme.

The Joint Secretariat remains at your disposal for any additional clarification or assistance you might need.
